

Looking for your next great hire?

If you're export-ready, we can help.

Venn's Export Internship Program will help support you in the hiring of a recent post-secondary graduate in New Brunswick.

In collaboration with the Atlantic Canada Opportunities Agency (ACOA) and the New Brunswick Department of Post-Secondary Education, Training and Labour (DPETL), Venn Innovation is pleased to announce the launch of the Export Internship Program. This program will help exporting and export-ready companies expand their international business development activities by contributing \$30 000 towards the salary for a recent post-secondary graduate.

The Export Internship Program will:

- Provide experience for new graduates in international business
- Assist new and existing exporters in the hiring and development of in-house expertise
- Increase the export capabilities of New Brunswick companies

Participating companies in this program will:

- Be an incorporated business in New Brunswick;
- Have generated revenue in the past 12 months;
- Be exporting or export ready (export readiness assessment through LearnSphere's ExportNB portal);
- Engage a graduate for a period of 1 year and provide them with the necessary tools and support to create a meaningful work experience;
- Contribute a minimum of 25% toward the intern's salary and benefits at a minimum salary of \$40 000/yr.
